PARTIES AND DEFINING SERVICE)
AREAS IN EDWARDS COUNTY AND)
WAYNE COUNTY, ILLINOIS PURSUANT)
TO SECTION 6 OF THE ILLINOIS)
ELECTRIC SUPPLIER ACT.)

Docket No.: 03-0079

SUPPLEMENT TO JOINT PETITION

NOW COME the Petitioners CENTRAL ILLINOIS PUBLIC SERVICE COMPANY, d/b/a AmerenCIPS ("CIPS") and WAYNE-WHITE COUNTIES ELECTRIC COOPERATIVE ("WWCEC"), by their respective counsel and pursuant to Section 6 of the Electric Supplier Act supplement the Joint Petition herein with the following information:

1. The parties do not believe that one of the affected customers, Mr. Leroy Spier, Spier Operating, received notice of the parties' request for approval to transfer Spier Operating as a customer from CIPS to WWCEC prior to his receipt of the official notice sent by the Commission on February 24, 2003.

2. The parties' Verified Joint Petition and proposed "Modification of Service Area Agreement" establish that the oil-producing leases referred to as the "Works Unit", lies entirely within WWCEC's designated service area, but has received electric service from CIPS over WWCEC's distribution facilities for a number of years.

3. The "split" service arrangement for the Works Unit arose out of a settlement

agreement between CIPS, WWCEC, Soyland Power Cooperative, and Southwestern Illinois Electric Cooperative dated May 22, 1995, (the "Global Settlement"), In I.C.C. Docket No. 92-0463, the Commission granted CIPS the right to serve the Works Unit in WWCEC's service territory based upon CIPS's claim of a valid contractual "grandfather" right under Par. 1 of the CIPS-WWCEC Service Area Agreement. CIPS's Complaint in 92-0463 had arisen out of the oil field operator's decision to terminate a CIPS feed and substitute a WWCEC feed. The Global Settlement allowed CIPS to continue as the supplier for the Works Unit (then operated by Spier's predecessor, Equinox Oil Company, but accommodated the customer's desire to reconfigure its own distribution system.

4. The portion of the parties' proposed modification pertaining to the Bi-Petro/Golden Gate oil field has been negotiated by the parties in a good-faith effort to accommodate the request of the customer, Bi-Petro, Inc.

WHEREFORE, Petitioners pray that the Illinois Commerce Commission approve the pending Joint Petition.
